Cancellations

When registering a learner to take an exam at an event, the entry may be cancelled prior to the entry closing date (the cooling-off period). Cancellations made during this cooling-off period will receive a full refund, which will be processed within 28 days of the cancellation being approved. Cancellation requests submitted after the entry closing date will not be offered a refund and will need to pay the full exam fee.

Withdrawals and Non-Attendance

Learners who are withdrawn after the entry closing date and do not attend their exam, or do not submit their self-tape video within the allotted timeframe, may be eligible for a partial credit depending on the circumstances. Learners may be re-entered for the same exam at a future date, but a new entry form and exam fee will need to be submitted. Exam fees paid cannot be transferred from one event to another event.

Illness, Injury and Bereavement

If a Learner is unable to attend their exam due to illness, injury or bereavement, please notify us as soon as possible. To apply for a Credit Note, please email us no later than 10 days after the exam day, providing supporting evidence. This should normally be a medical/ dental letter or a letter from someone in authority such as a Head Teacher, confirming the reason for the learner's absence. LAMDA will issue a Credit Note for 50% of the original exam fee paid for all learners unable to attend their exam due to illness, injury or bereavement. For learners unable to attend due to a contagious illness, LAMDA will issue a Credit Note for 100% of the original exam fee paid.

Where a learner misses their exam owing to exceptional circumstances beyond their control (eg.
