LAMDA Examinations in Speaking Verse and Prose are offered in the following formats:

- Solo (one Learner) where the Learner performs alone

ENTRY LEVEL (ENTRY 3)

<table>
<thead>
<tr>
<th>LEARNING OUTCOMES</th>
<th>ASSESSMENT CRITERIA</th>
</tr>

</table>
| LO1 perform two verse selections from memory, demonstrating an understanding of the material | 1.1 Communicate the sense of the written word  
1.2 Speak accurately from memory  
1.3 Demonstrate an awareness of rhythm and shape |
| LO2 use vocal skills to engage the listener | 2.1 Speak with audibility appropriate to the performance space  
2.2 Speak with clarity of diction |
| LO3 know the meaning and general content of the two selections | 3.1 Describe the general content of the two verse selections  
3.2 Give accurate meanings of up to four of the words or phrases taken from the two verse selections |

The following information describes what skills and knowledge Learners need to present in order to attain marks for Pass, Merit or Distinction for Entry Level Speaking Verse and Prose Examinations. Learners who complete the external assessment but who either do not meet the minimum pass criteria mark for a Pass, or fail to satisfy one or more of the stated Assessment Criteria, will be graded as a Fail. This is irrespective of the total marks accumulated.

**Distinction (80–100 Marks)**

A Learner who achieves a Distinction grade will have demonstrated the ability to communicate the sense of their poems to the audience in a clear and engaging way, speaking audibly and clearly throughout the presentation. They will have also given a detailed description of the content of their poems, and accurate definitions of all four words chosen by the Examiner.
**Merit (65–79 Marks)**

A Learner who achieves a Merit grade will have demonstrated a secure understanding of the content, rhythm and shape of the pieces performed. They will have presented them with good diction and audibility will be secure, but not consistent, and there may be some errors with memory. Learners will also provide accurate meanings of three words chosen by the Examiner.

**Pass (50–64 Marks)**

A Learner who achieves a Pass grade will have communicated some understanding of the content of their pieces, with audibility and diction being clear for some of the presentation. A basic awareness of rhythm and shape will be apparent, but lapses in memory may affect this. Two of the words chosen by the Examiner will be explained accurately.

**Fail (0–49 Marks)**

A Learner whose examination is graded as a Fail for any Subject and Grade will have demonstrated inaccuracy and lack of fluency in all or most of the components. They will have demonstrated an unacceptable standard of physical and vocal technique; there will have been lapses in memory (if applicable) and they will have shown little or no evidence of interpretative skills. Knowledge in relation to the repertoire performed will have been insufficient for the Grade and subject of examination being taken. Learners will also have failed to communicate, through their performance or presentation, any significant degree of understanding of the repertoire.

It should also be noted that Learners who complete the external assessment but who either do not meet the minimum pass criteria mark for a Pass or fail to satisfy one or more of the stated Assessment Criteria (irrespective of the total marks they accumulate) will be graded as a Fail.

In these circumstances, the Examiner will identify the Assessment Criteria/Criterion not met in the Learner Examination Report (LER).

The following information describes what skills and knowledge Learners need to present in order to attain marks for Pass, Merit or Distinction for Level 3 (Grades 6, 7 and 8) Speaking Verse and Prose Examinations.

Learners who complete the external assessment but who either do not meet the minimum pass criteria mark for a Pass, or fail to satisfy one or more of the stated Assessment Criteria, will be graded as a Fail. This is irrespective of the total marks accumulated.

**Distinction (80–100 Marks)**

A Learner who achieves a Distinction grade will have demonstrated advanced understanding and awareness of the chosen material. The presentation will have been innovative and sophisticated, thoroughly engaging the audience at all times. Knowledge and understanding of material and the techniques required for speaking verse and prose will have been comprehensive. Learners taking examinations at Grade 8 will have been able to discuss maturely detailed and in-depth biographical and contextual details about their chosen writer.

**Merit (65–79 Marks)**

A Learner who achieves a Merit grade will have demonstrated understanding of the material through a mature and imaginative interpretation, using thoughtful and engaging physical and vocal techniques. The presentation will have been complex and well prepared. Knowledge and understanding of material and the techniques required for speaking verse and prose will have been
well researched and presented. Learners taking examinations at
Grade 8 will have been able to demonstrate sound biographical
and contextual knowledge of their chosen writer.

**Pass (50–64 Marks)**

A Learner who achieves a Pass grade will have demonstrated
some evidence of a developed understanding of the material.
Interpretation of the text will have included some personalisation
and self-assurance. Learners will have demonstrated some
widespread knowledge of techniques required for speaking verse
and prose. Learners taking examinations at Grade 8 will have
been able to discuss biographical and contextual details about
their chosen writer, but knowledge will be undeveloped.

**Fail (0–49 Marks)**

A Learner whose examination is graded as a Fail for any Subject
and Grade will have demonstrated inaccuracy and lack of fluency
in all or most of the components. They will have demonstrated
an unacceptable standard of physical and vocal technique; there
will have been lapses in memory (if applicable) and they will have
shown little or no evidence of interpretative skills. Knowledge in
relation to the repertoire performed will have been insufficient
for the Grade and subject of examination being taken. Learners
will also have failed to communicate, through their performance
or presentation, any significant degree of understanding of the
repertoire.

It should also be noted that Learners who complete the external
assessment but who either do not meet the minimum pass
criteria mark for a Pass or fail to satisfy one or more of the
stated Assessment Criteria (irrespective of the total marks they
accumulate) will be graded as a Fail.

In these circumstances, the Examiner will identify the Assessment
Criteria/Criterion not met in the Learner Examination Report (LER).
