About LAMDA

Founded in 1861, LAMDA is the oldest drama school in the UK. We started to offer examinations in speech and drama to the public over 130 years ago. Since then we have developed an enviable reputation for excellence in the provision of Communication and Performance examinations in the UK, and we are rapidly extending our reach internationally.

The process of preparing for and succeeding in a LAMDA Examination helps Learners, whatever their ages or aspirations, to develop a broad range of skills that will serve them throughout life. Our examinations develop a Learner's ability to:

- read easily, fluently and with good understanding
- expand vocabulary to improve powers of self-expression
- improve confidence in speaking and listening
- memorise and recall information
- research and create persuasive formal presentations
- create and defend arguments
- engage in constructive informal conversation
- work both on their own and participate as a member of a team

No matter what direction Learners choose to follow in the future, our examinations provide the opportunity to nurture their natural abilities. These critical skills will enhance their self-confidence to engage and contribute fully, whether at

school, in further education, at work or in the community. In other words, to fulfil their potential.

All our examinations are rooted in encouraging Learners of all ages to develop a love of literature, poetry and drama and thus improve standards of communication through the spoken word. This syllabus provides a wide range of opportunities to do so.

Ultimately, it is a sense of achievement that empowers the Learner. We believe that succeeding in a LAMDA Examination demonstrates not only that they have met rigorous Assessment Criteria in a particular discipline, but also that they have grown as individuals through participating in a worthwhile activity that is respected as a global standard.

LAMDA Qualifications

LAMDA is recognised as an awarding organisation by Ofqual, the Office of Qualifications and Examinations Regulation in England, Qualifications Wales, and Council for the Curriculum, Examinations and Assessment (CCEA) in Northern Ireland.

Qualification Framework

The LAMDA Graded Examinations in Performance reside on the Regulated Qualifications Framework (RQF). The RQF permits direct comparison between academic qualifications (i.e. GCSEs / A Levels) and vocational qualifications (i.e. LAMDA Qualifications and others).

About This Syllabus Specification

This syllabus specification outlines the specifications for LAMDA Graded Examinations in Performance. It is designed for use by centres, Teachers, Learners and parents.

Structure of the Qualifications

LAMDA Graded Examinations in Performance are available in the following subjects:

- Acting
- Devising Drama
- Miming

LAMDA Graded Examinations in Performance are open to all. There are no minimum age restrictions, and the choice of repertoire is intended to appeal to Learners of all ages. Learners do not require prior knowledge or an understanding

of the Performance subjects prior to studying for a LAMDA Examination.

The qualifications are available at four Levels on the RQF and each examination subject is available from Entry Level to Grade 8.

RQF LEVEL	GRADE
Entry Level (E3)	Entry Level
Level 1	Grade 1 Grade 2 Grade 3
Level 2	Grade 4 Grade 5
Level 3	Grade 6 Grade 7 Grade 8

The Qualification Number (QN) is a unique identifier provided by Ofqual.

The appropriate Qualification Title and Qualification Number (QN) will appear on Learners' final certification documentation.

Reasonable Adjustments and Special Considerations

Reasonable Adjustments and Special Considerations are designed to facilitate access to Qualifications for Learners who have particular requirements. Further information can be obtained from LAMDA Examinations' published Reasonable Adjustments and Special Considerations Policy, which is available to download from the LAMDA website: www.lamda.ac.uk/examinations

Assessment and Grading

The purpose of assessment is to ensure that effective learning has taken place to give Learners the opportunity to meet all the Assessment Criteria and achieve the learning outcomes within a Qualification and/or Unit.

All LAMDA graded Qualifications require external assessment. External assessment is a form of independent assessment where Assessment Criteria for each Qualification are set by LAMDA and marked by a LAMDA Examinations Examiner.

LAMDA Graded Examinations in Performance uses practical assessment as its method for external assessment.

Assessment Requirements

All assessment for LAMDA regulated Qualifications is criterion- referenced, based on the achievement of specified Learning Outcomes and Assessment Criteria. Each Qualification and/or Unit within the Qualification has specified Assessment Criteria which are used for grading purposes. A Qualification grade can be awarded at Pass, Merit or Distinction.

A Pass, Merit or Distinction is awarded respectively for the achievement of all outcomes against the specified Assessment Criteria for each grading criterion detailed in the syllabus specification.

Learners who complete the external assessment but who either do not meet the minimum pass criteria mark for a Pass or fail to satisfy one or more of the stated Assessment Criteria (irrespective of the total marks they accumulate) will be graded as a Fail.

In these circumstances the Examiner will identify the Assessment Criteria/Criterion not met in the Examination Report.

Invalidation Policy

LAMDA operates an Invalidation Policy for all its Qualifications.

All Learners must perform to the exact requirements as detailed in the relevant syllabus specifications. Learners who do not conform to these requirements will be referred to LAMDA by the Examiner.

The referral will be reviewed by the appropriate personnel at LAMDA who will determine whether Invalidation exists.

For all confirmed Invalidation decisions, a letter detailing the reasons for the Invalidation along with the Learner's Examination Report (marked Invalid) will be sent directly to the centre coordinator or the named accountable person detailed at the time of examination entry.

A Note on Language

English is used and explicitly expressed in all LAMDA syllabus specifications and assessment materials for the examinations. Examinations are conducted solely in English. The language used in all syllabus specifications and assessment materials, and during practical assessment, is explicit, plain and free from bias.

Whilst LAMDA offers examinations in Ireland and Wales, it does not offer examinations using Welsh (Cymraeg) or Irish (Gaelige) languages.

There is no requirement for Learners to conform linguistically to all features of British Standard English or Received Pronunciation.

However, Learners' oral communication must be at a level that will not impose any difficulty of comprehension or strain on the Examiner during the assessment.

Essential Resources

The LAMDA Acting Anthology – Volume 4 is a collection of solo and duologue scenes from published plays, novels and books or scenes which have been written specifically for this anthology and is a required publication for Learners taking LAMDA Graded Examinations in Acting from Grade 1 to Grade 5.

Details of all LAMDA publications for the examinations are available on the LAMDA website:

www.lamda.ac.uk/examinations

Support Material

LAMDA has provided additional support material to aid centres, Teachers and Learners when preparing for LAMDA Graded Examinations in Performance. This document is entitled Teacher Support Material: LAMDA Graded Examinations in Performance. It is available free of charge on the LAMDA website at www.lamda.ac.uk/examinations or upon request from LAMDA.

Acting (August 2019)

Purpose of the Qualification

LAMDA Graded Examinations in Performance: Acting are designed to develop the skills necessary to communicate dramatic text to an audience.

Learners who prepare themselves appropriately will develop:

1. Interpretative skills
2. Technical skills
3. Knowledge of the performance process

Broad Objectives of the Qualification

1. Interpretative skills

The Learner(s) will be required to:

- explore style, form, character, subtext and context in order to realise the specific demands of the text
- engage with character and situation in order to create a sense of reality

2. Technical skills

The Learner(s) will be required to:

- develop skills in voice, diction and movement
3. Knowledge of the performance process

The Learner(s) will be required to:

- know and understand the chosen selections
- know and understand the key principles and influences in the process of acting for one of the following practitioners: Constantin Stanislavski, Bertolt Brecht, Jerzy Grotowski, Katie Mitchell, Kneehigh, Antonin Artaud or Joan Littlewood (Grade 8 only)

Structure

The qualification is available at four levels, in line with the Regulated Qualifications Framework:

Entry Level (Entry 3)	Entry Level
Level 1	Grade 1
	Grade 2
	Grade 3
Level 2	Grade 4
	Grade 5
Level 3	Grade 6 – Bronze Medal
	Grade 7 – Silver Medal
	Grade 8 – Gold Medal

Learners may enter for an Acting Examination at any grade. Each grade is independently assessed. Learning Outcomes are set at each Level and cover a range of grades (for

example, Level 1 covers Grades 1, 2 and 3). Assessment Criteria are set at each grade. There is a qualitative difference in outcome between individual grades within each Level. This is because:

- the repertoire chosen by the Learner increases in technical difficulty as the grades progress
- the knowledge required increases as the grades progress

LAMDA Examinations in Acting are offered in the following formats:

- Solo (one Learner) where the Learner performs alone
- Duologue (two Learners) where the Learners perform all scenes together
- Combined (two Learners, available at Level 1 and Level 2 only) where the Learners perform one solo scene each and one duologue scene together

Examination Regulations

1. The set acting scenes for each grade are printed in full in the LAMDA Acting Anthology – Volume 4.
2. The Learner(s) will perform the chosen Set Scenes as they are presented in the LAMDA Acting Anthology – Volume 4. Edits are not permitted.
3. Own Choice pieces must not be published anywhere in the current LAMDA Acting Anthology – Volume 4.

4. Full costume must not be worn. Long practice skirts, which allow freedom of movement, may be used together with small items such as scarves, hats, shawls, gloves or canes. Nudity is not permitted. Hand props are permitted but must be kept to a minimum. Real knives or other weapons are not permitted.
5. The Learner(s) must play only one character in their selected scenes.
6. No unauthorised person will be allowed to be present during the examination.
7. Electronic devices, such as mobile phones, Kindles, iPads, e-readers and laptops, are not permitted in the examination room unless they are required as a prop. If an electronic device is required as a prop this must be approved by the Examiner at the beginning of the examination. Electronic devices used as props must be switched off for use in the examination.
8. Live animals are not permitted in the examination room.
9. The selected repertoire must be performed in English.

Entry Level Acting (Solo/ Duologue)

RQF Level: Entry Level (Entry 3)

Guided Learning Hours: 20

Total Qualification Time: 40

Level Description

The LAMDA Entry Level Award in Performance: Acting is designed to introduce Learners to very simple acting skills. Learners will perform one scene from memory, audibly and clearly. They will be able to show that they understand the meaning of what they are speaking. Their use of space will complement their performance.

During their examination, Learners should present their pieces to a wider imagined audience, of which the Examiner is a part, and not solely to the Examiner.

Learning Outcomes

On completion of this unit the Learner(s) will be able to:

Interpretation

LO1: perform one scene from memory, demonstrating an understanding of the material

Technique

LO2: use vocal skills in response to the text

LO3: use the face and body in response to the text

Knowledge

LO4: know and understand the character in the chosen scene

Total Time Allowance

Solo – 10 minutes Duologue – 15 minutes

Examination Content

Scene (Own Choice): Interpretation and Technique

Solo and Duologue Learners will perform from memory one solo/ duologue scene of their own choice.

The scene must be selected from a published play or screenplay or a published collection of solo or duologue scenes, or be adapted from the dialogue of a published novel. The scene must not be set in the LAMDA Acting Anthology – Volume 4.

The performance time of the scene must be a minimum of two minutes and no more than three minutes. The Learner(s) must announce the title, author and character prior to the performance. A legible copy of the scene should be provided for the Examiner.

Knowledge

The Learner(s) will answer questions on the following:

- the appearance of the character
- how the character is feeling in the scene

Marking Scheme: Entry Level

ASSESSMENT TASK		MARKS	TOTAL MARKS
Scene (Own Choice)	Interpretation	40	80
	Technique	40	
Knowledge			20
Total Marks			100

Attainment Bands

AWARD	TOTAL MARKS
Pass	50–64
Merit	65–79
Distinction	80+

Assessment and Grading Criteria: Acting (Solo/Duologue)

ENTRY LEVEL (ENTRY 3)

LEARNING OUTCOMES	ASSESSMENT CRITERIA
LO1: perform one scene from memory, demonstrating an understanding of the material	1.1 Communicate the sense of the written word 1.2 Demonstrate an understanding of the character 1.3 Perform from memory with fluency and focus
LO2: use vocal skills in response to the text	2.1 Speak with audibility 2.2 Speak with clarity of diction
LO3: use the face and body in response to the text	3.1 Perform with movement and facial expression appropriate to the character
LO4: know and understand the character in the chosen scene	4.1 Give a description of the appearance of the character in the chosen scene 4.2 Give a description of the feelings of the character in the chosen scene

The following information describes what skills and knowledge Learners need to present in order to attain marks for Pass, Merit or Distinction for Entry Level Acting Examinations. Learners who complete the external assessment but who either do not meet the minimum pass criteria mark for a Pass, or fail to satisfy one or more of the stated Assessment Criteria, will be graded as a Fail. This is irrespective of the total marks accumulated.

Distinction (80–100 Marks)

A Learner who achieves a Distinction grade will have demonstrated the ability to communicate the sense of the piece to the audience in a clear and engaging way, using imaginative body language and facial expression to create their character throughout the presentation. They will have also given detailed descriptions of how their character looks, and how they are feeling in the scene.

Merit (65–79 Marks)

A Learner who achieves a Merit grade will have demonstrated a secure understanding of the content and character chosen. They will have used good facial expression and diction, and audibility will be secure but not consistent, and there may be some errors with memory. Learners will also be able to provide general, but accurate details about their character's appearance.

Pass (50–64 Marks)

A Learner who achieves a Pass grade will have communicated some understanding of the content of their pieces and the chosen character, with audibility and diction being clear for some of the presentation. A basic awareness of rhythm and shape will be apparent, but lapses in memory may affect this. Learners will provide basic descriptions of what their characters look like, and what they are feeling in each scene.

Fail (0–49 Marks)

A Learner whose examination is graded as a Fail for any Subject and Grade will have demonstrated inaccuracy and lack of fluency in all or most of the components. They will have demonstrated an unacceptable standard of physical and vocal technique; there will have been lapses in memory (if applicable) and they will have shown little or no evidence of interpretative skills. Knowledge in relation to the repertoire performed will have been insufficient for the Grade and subject of examination being taken. Learners will also have failed to communicate, through their performance or presentation, any significant degree of understanding of the repertoire.

It should also be noted that Learners who complete the external assessment but who either do not meet the minimum

pass criteria mark for a Pass or fail to satisfy one or more of the stated Assessment Criteria (irrespective of the total marks they accumulate) will be graded as a Fail.

In these circumstances, the Examiner will identify the Assessment Criteria/Criterion not met in the Learner Examination Report (LER).

Level Description

The LAMDA Level 1 Award in Performance: Acting is designed to enable Learners to develop basic acting skills. Learners will perform two scenes from memory, audibly and clearly. They will be able to apply their knowledge, understanding and skills to produce a thoughtful interpretation, based on creative engagement with the material and careful preparation. Through variations in volume, pace and pause they will be able to create and convey mood. Their use of body and space will complement their performance.

During their examination, Learners should present their pieces to a wider imagined audience, of which the Examiner is a part, and not solely to the Examiner.

The following information describes what skills and knowledge Learners need to present in order to attain marks for Pass, Merit or Distinction for Level 1 Acting Examinations. Learners who complete the external assessment but who either do not meet the minimum pass criteria mark for a Pass, or fail to satisfy one or more of the stated Assessment Criteria, will be graded as a Fail. This is irrespective of the total marks accumulated.

Distinction (80–100 Marks)

A Learner who achieves a Distinction grade will have communicated the sense of their pieces throughout their performance, demonstrating a full understanding of the characters and situations. The performance will have been clear and audible, and pace and pause will have been used appropriately. The Learner will have used thoughtful, effective body language and facial expression to complement the content of the chosen material. Learners will have also given

accurate and detailed answers to questions asked about their chosen pieces.

Merit (65–79 Marks)

A Learner who achieves a Merit grade will have communicated the sense of their pieces on the whole, but will not have done this throughout. The Learner will be mostly clear and audible in their performance, frequently using body and face appropriately in response to the text. Learners will have also given general, but accurate answers in response to questions asked about their chosen pieces.

Pass (50–64 Marks)

A Learner who achieves a Pass grade will have communicated a basic sense of their chosen material. They will have demonstrated basic performance skills and some imaginative interpretation of the texts through the body and face. Learners will have also given accurate but basic answers to questions asked about their chosen pieces.

Fail (0–49 Marks)

A Learner whose examination is graded as a Fail for any Subject and Grade will have demonstrated inaccuracy and lack of fluency in all or most of the components. They will have demonstrated an unacceptable standard of physical and vocal technique; there will have been lapses in memory (if

applicable) and they will have shown little or no evidence of interpretative skills. Knowledge in relation to the repertoire performed will have been insufficient for the Grade and subject of examination being taken. Learners will also have failed to communicate, through their performance or presentation, any significant degree of understanding of the repertoire.

It should also be noted that Learners who complete the external assessment but who either do not meet the minimum pass criteria mark for a Pass or fail to satisfy one or more of the stated Assessment Criteria (irrespective of the total marks they accumulate) will be graded as a Fail.

In these circumstances, the Examiner will identify the Assessment Criteria/Criterion not met in the Learner Examination Report (LER).

Effective preparation and study will be evident, leading to a secure performance. Use of voice, body and space will be effectively combined to communicate the text and engage the audience.

During their examination, Learners should present their pieces to a wider imagined audience, of which the Examiner is a part, and not solely to the Examiner.

The following information describes what skills and knowledge Learners need to present in order to attain marks for Pass, Merit or Distinction for Level 3 Acting Examinations. Learners who complete the external assessment but who either do not meet the minimum pass criteria mark for a Pass, or fail to satisfy one or more of the stated Assessment Criteria, will be graded as a Fail. This is irrespective of the total marks accumulated.

Distinction (80–100 Marks)

A Learner who achieves a Distinction grade will have demonstrated advanced understanding and awareness of the chosen material. The performance will have been innovative and sophisticated, responding vocally and physically to the demands of the text throughout. Knowledge and understanding of material will have been comprehensive and in-depth, and discussed maturely.

Merit (65–79 Marks)

A Learner who achieves a Merit grade will have demonstrated sound understanding of the material through a mature and imaginative interpretation, responding with thoughtful physical and vocal techniques most of the time. Knowledge and understanding of the chosen material will have been well researched and presented.

Pass (50–64 Marks)

A Learner who achieves a Pass grade will have demonstrated some evidence of a developed understanding of the material. Interpretation of the text will have included some personalisation and self-assurance. Learners will have demonstrated some widespread knowledge and understanding of the chosen material.

Fail (0–49 Marks)

A Learner whose examination is graded as a Fail for any Subject and Grade will have demonstrated inaccuracy and lack of fluency in all or most of the components. They will have demonstrated an unacceptable standard of physical and vocal technique; there will have been lapses in memory (if applicable) and they will have shown little or no evidence of interpretative skills. Knowledge in relation to the repertoire performed will have been insufficient for the Grade and subject of examination being taken. Learners will also have failed to communicate, through their performance or presentation, any significant degree of understanding of the repertoire.

It should also be noted that Learners who complete the external assessment but who either do not meet the minimum pass criteria mark for a Pass or fail to satisfy one or more of the stated Assessment Criteria (irrespective of the total marks they accumulate) will be graded as a Fail.

In these circumstances, the Examiner will identify the Assessment Criteria/Criterion not met in the Learner Examination Report (LER).

Devising Drama (August 2019)

Purpose of the Qualification

LAMDA Graded Examinations in Performance: Devising Drama are designed to develop the skills necessary to devise a dramatic performance and present it to an audience.

Learners who prepare themselves appropriately will develop:

1. Interpretative skills
2. Technical skills
3. Knowledge of the devising process

Broad Objectives of the Qualification

1. Interpretative skills

The Learner(s) will be required to:

- devise a character and situation within a dramatic structure
- engage with character and situation in order to create a sense of reality

2. Technical skills

The Learner(s) will be required to:

- develop skills in voice, diction and movement
3. Knowledge of the devising process

The Learner(s) will be required to:

- know and understand how to devise scenes for performance

Structure

The qualification is available at four levels, in line with the Regulated Qualifications Framework:

Entry Level (Entry 3)	Entry Level
Level 1	Grade 1
	Grade 2
	Grade 3
Level 2	Grade 4
	Grade 5
Level 3	Grade 6
	Grade 7
	Grade 8

Learners may enter for a Devising Drama Examination at any grade. Each grade is independently assessed. Learning Outcomes are set at each Level and cover a range of grades (for example, Level 1 covers Grades 1, 2 and 3). Assessment

Criteria are set at each grade. There is a qualitative difference in outcome between individual grades within each Level. This is because:

- the set requirements and/or topics for scenes increase in technical difficulty as the grades progress
- the knowledge required increases as the grades progress

LAMDA Examinations in Devising Drama are offered in the following formats:

- Solo (one Learner) where the Learner performs alone
- Duologue (two Learners) where the Learners perform all scenes together

Examination Regulations

1. Full costume must not be worn. Long practice skirts, which allow freedom of movement, may be used together with small items such as scarves, hats, shawls, gloves or canes. Nudity is not permitted. Hand props are permitted but must be kept to a minimum.
2. Real knives or other weapons are not permitted.
3. The Learner(s) must play only one character in their selected scenes.
4. No unauthorised person will be allowed to be present during the examination.

5. Electronic devices, such as mobile phones, Kindles, iPads, e-readers and laptops, are not permitted in the examination room unless they are required for the use of music and/or sound effects or as a prop. If an electronic device is required for the use of music and/or sound effects or as a prop this must be approved by the Examiner at the beginning of the examination. Electronic devices used as props must be switched off for use in the examination.
6. Live animals are not permitted in the examination room.
7. Scenes must be performed in English.

The following information describes what skills and knowledge Learners need to present in order to attain marks for Pass, Merit or Distinction for Entry Level Devising Drama Examinations.

Learners who complete the external assessment but who either do not meet the minimum pass criteria mark for a Pass, or fail to satisfy one or more of the stated Assessment Criteria, will be graded as a Fail. This is irrespective of the total marks accumulated.

Distinction (80–100 Marks)

A Learner who achieves a Distinction grade will have performed a devised scene using a clear structure from start to finish, demonstrating total involvement with place and situation using appropriate movement. They will have remained focused throughout the scene and spoken audibly and with clear diction throughout. Explanations and descriptions of character, theme and place will have been detailed.

Merit (65–79 Marks)

A Learner who achieves a Merit grade will have performed their devised scene using a mostly clear structure, demonstrating an involvement with place and situation using appropriate movement for most of the scene. The Learner will be fluent and focused for most of the scene, but there may have been some lapses in memory. Explanations and descriptions of character, theme and place will have been well prepared, but lacking in further detail.

Pass (50–64 Marks)

A Learner who achieves a Pass grade will have performed a devised scene using a somewhat clear structure, but this may have become confusing at times. The Learner will have demonstrated some involvement with place and situation using appropriate movement for some of the scene. They will have been focused during parts of the scene and have spoken with some audibility and clarity of diction. Explanations and descriptions of character, theme and place will have been simple, and lacking in any detail.

Fail (0–49 Marks)

A Learner whose examination is graded as a Fail for any Subject and Grade will have demonstrated inaccuracy and lack of fluency in all or most of the components. They will

have demonstrated an unacceptable standard of physical and vocal technique; there will have been lapses in memory (if applicable) and they will have shown little or no evidence of interpretative skills. Knowledge in relation to the repertoire performed will have been insufficient for the Grade and subject of examination being taken. Learners will also have failed to communicate, through their performance or presentation, any significant degree of understanding of the repertoire.

It should also be noted that Learners who complete the external assessment but who either do not meet the minimum pass criteria mark for a Pass or fail to satisfy one or more of the stated Assessment Criteria (irrespective of the total marks they accumulate) will be graded as a Fail.

In these circumstances, the Examiner will identify the Assessment Criteria/Criterion not met in the Learner Examination Report (LER).

The following information describes what skills and knowledge Learners need to present in order to attain marks for Pass, Merit or Distinction for Level 1 Devising Drama Examinations. Learners who complete the external assessment but who either do not meet the minimum pass criteria mark for a Pass, or fail to satisfy one or more of the stated Assessment Criteria, will be graded as a Fail. This is irrespective of the total marks accumulated.

Distinction (80–100 Marks)

A Learner who achieves a Distinction grade will have clarified their character and situation using a clear and detailed structure. They will have demonstrated involvement with their character and situation throughout the scene and performed fluently and with focus whilst also using the voice and body to respond appropriately to the character and situation. Learners will have also given accurate and detailed answers to questions asked.

Merit (65–79 Marks)

A Learner who achieves a Merit grade will have devised a scene using a mostly clear structure, and, therefore, character and situation will also be clear for most of the scene. Learners will have responded appropriately, both vocally and physically, throughout most of the scene. Learners will have also given accurate and secure responses to questions asked, but there will be some lack of detail.

Pass (50–64 Marks)

A Learner who achieves a Pass grade will have devised a scene with a clear, yet simple structure which enables them to communicate their character and situation for some of the time. They will have communicated through appropriate use of the body and face for some of the scene. Learners will have also given accurate but basic answers to questions asked.

Fail (0–49 Marks)

A Learner whose examination is graded as a Fail for any Subject and Grade will have demonstrated inaccuracy and lack of fluency in all or most of the components. They will have demonstrated an unacceptable standard of physical and vocal technique; there will have been lapses in memory (if applicable) and they will have shown little or no evidence of interpretative skills. Knowledge in relation to the repertoire performed will have

been insufficient for the Grade and subject of examination being taken. Learners will also have failed to communicate, through their performance or presentation, any significant degree of understanding of the repertoire.

It should also be noted that Learners who complete the external assessment but who either do not meet the minimum pass criteria mark for a Pass or fail to satisfy one or more of the stated Assessment Criteria (irrespective of the total marks they accumulate) will be graded as a Fail.

In these circumstances, the Examiner will identify the Assessment Criteria/Criterion not met in the Learner Examination Report (LER).

Miming (August 2019)

Purpose of the Qualification

LAMDA Graded Examinations in Performance: Miming are designed to develop the skills necessary to create a performance using mime.

Learners who prepare themselves appropriately will develop:

1. Interpretative skills
2. Technical skills
3. Knowledge of the performance process

Broad Objectives of the Qualification

1. Interpretative skills

	Grade 3
Level 2	Grade 4
	Grade 5
Level 3	Grade 6
	Grade 7
	Grade 8

Learners may enter for a Miming Examination at any grade. Each grade is independently assessed. Learning Outcomes are set at each Level and cover a range of grades (for example, Level 1 covers Grades 1, 2 and 3). Assessment Criteria are set at each grade. There is a qualitative difference in outcome between individual grades within each Level. This is because:

- the set requirements and/or topics for mimes increase in technical difficulty as the grades progress
- the knowledge required increases as the grades progress

LAMDA Examinations in Miming are offered in the following formats:

- Solo (one Learner) where the Learner performs alone
- Duologue (two Learners) where the Learners perform mimes individually and mime scenes together

Examination Regulations

1. Nudity is not permitted
2. Learners must not use their voice in any part of the mimes/ mime scenes
3. Words must not be mouthed by the Learner(s) in their mimes/ mime scenes.

The following information describes what skills and knowledge Learners need to present in order to attain marks for Pass, Merit or Distinction for Entry Level Miming Examinations. Learners who complete the external assessment but who either do not meet the minimum pass criteria mark for a Pass, or fail to satisfy one or more of the stated Assessment Criteria, will be graded as a Fail. This is irrespective of the total marks accumulated.

Distinction (80–100 Marks)

A Learner who achieves a Distinction grade will have created and performed a mime scene with a clear and defined structure that includes a sequence of activities. They will have been involved with the content throughout the performance, and movement will have been appropriate and clear throughout. They will have also given detailed answers to questions asked about the choice of title and the sequence of activities within the scene.

Merit (65–79 Marks)

A Learner who achieves a Merit grade will have created and performed a mime scene with a secure structure that includes a sequence of activities. They will have been involved with the content for the majority of the performance, and movement will have been appropriate and clear for most of the scene. They will have also given secure answers to questions asked

about the choice of title and the sequence of activities within the scene.

Pass (50–64 Marks)

A Learner who achieves a Pass grade will have created and performed a mime scene with a basic structure that includes a sequence of activities. They will have been involved with the content for some of the performance, and movement will have been appropriate and clear for some parts of the scene. They will have also given basic answers to questions asked about the choice of title and the sequence of activities within the scene.

Fail (0–49 Marks)

A Learner whose examination is graded as a Fail for any Subject and Grade will have demonstrated inaccuracy and lack of fluency in all or most of the components. They will have demonstrated an unacceptable standard of physical and vocal technique; there will have been lapses in memory (if applicable) and they will have shown little or no evidence of interpretative skills. Knowledge in relation to the repertoire performed will have been insufficient for the Grade and subject of examination being taken. Learners will also have failed to communicate, through their performance or presentation, any significant degree of understanding of the repertoire.

It should also be noted that Learners who complete the external assessment but who either do not meet the minimum pass criteria mark for a Pass or fail to satisfy one or more of the stated Assessment Criteria (irrespective of the total marks they accumulate) will be graded as a Fail.

In these circumstances, the Examiner will identify the Assessment Criteria/Criterion not met in the Learner Examination Report (LER).

who complete the external assessment but who either do not meet the minimum pass criteria mark for a Pass, or fail to satisfy one or more of the stated Assessment Criteria, will be graded as a Fail. This is irrespective of the total marks accumulated.

Distinction (80–100 Marks)

A Learner who achieves a Distinction grade will have created and performed a Mime and a Mime Scene with a clear and defined structure. The Learner will have demonstrated thorough involvement with their characters through appropriate stance, movement, gesture and facial expression, and demonstrated controlled and coordinated movement throughout, whilst also maintaining concentration and focus. Descriptions and explanations of the pieces performed will have been well prepared and detailed.

Merit (65–79 Marks)

A Learner who achieves a Merit grade will have created and performed a Mime and a Mime Scene with a clear and secure structure. The Learner will have demonstrated assured involvement with the characters throughout most of the performance and will have made good attempts to respond with appropriate facial expression, body language and use of the space. Descriptions and explanations of the scenes will have been fairly thorough and secure.

Pass (50–64 Marks)

A Learner who achieves a Pass grade will have created and performed a Mime and a Mime Scene with a clear, but simple structure. Through simple facial expression and body language, the Learner will have demonstrated some involvement within the world of their characters. Descriptions and explanations will have been accurate but will have lacked detail.

Fail (0–49 Marks)

A Learner whose examination is graded as a Fail for any Subject and Grade will have demonstrated inaccuracy and lack of fluency in all or most of the components. They will have demonstrated an unacceptable standard of physical and vocal technique; there will have been lapses in memory (if applicable) and they will have shown little or no evidence of interpretative skills. Knowledge in relation to the repertoire performed will have been insufficient for the Grade and subject of examination being taken. Learners will also have failed to communicate, through their performance or presentation, any significant degree of understanding of the repertoire.

It should also be noted that Learners who complete the external assessment but who either do not meet the minimum pass criteria mark for a Pass or fail to satisfy one or more of

the stated Assessment Criteria (irrespective of the total marks they accumulate) will be graded as a Fail.

In these circumstances, the Examiner will identify the Assessment Criteria/Criterion not met in the Learner Examination Report (LER).

The following information describes what skills and knowledge Learners need to present in order to attain marks for Pass, Merit or Distinction for Level 3 Miming Examinations. Learners who complete the external assessment but who either do not meet the minimum pass criteria mark for a Pass, or fail to satisfy one or more of the stated Assessment Criteria, will be graded as a Fail. This is irrespective of the total marks accumulated.

Distinction (80–100 Marks)

A Learner who achieves a Distinction grade will have created and performed sophisticated mime scenes with clear and defined structure throughout. They will have understood place, period and situation and demonstrated this throughout the scene, all the while communicating the intentions and objectives of the characters being portrayed. This will have been achieved through the Learner's stance, movement, gesture, facial expression and precision of movement. Knowledge and understanding of material will have been comprehensive and in-depth. Detail of the selected practitioner's influences on the development and presentation of mime will have been clear and comprehensive and discussed with maturity (Grade 8 only).

Merit (65–79 Marks)

A Learner who achieves a Merit grade will have created and performed well-structured mime scenes demonstrating an understanding of place, period and situation most of the time. Intentions and objectives of the characters being portrayed will have been achieved on the whole through the Learner's stance, movement, gesture, facial expression and precision of movement. Knowledge and understanding of material will have been well considered but will have lacked detail in justification. The selected practitioner's influences on the development and presentation of mime will be securely explained, but will have lacked wider research (Grade 8 only).

Pass (50–64 Marks)

A Learner who achieves a Pass grade will have created and performed mime scenes with basic, but clear structures. An understanding of place, period and situation will be portrayed through simple stance, movement, gesture and facial expression. Movement will be precise in some moments, but generally underdeveloped. Learners will have demonstrated some widespread knowledge and understanding of the chosen material. Explanations of the selected practitioner's influences on the development and presentation of mime will be brief and will be lacking in detail (Grade 8 only).

Fail (0–49 Marks)

A Learner whose examination is graded as a Fail for any Subject and Grade will have demonstrated inaccuracy and lack of fluency in all or most of the components. They will have demonstrated an unacceptable standard of physical and vocal technique; there will have been lapses in memory (if applicable) and they will have shown little or no evidence of interpretative skills. Knowledge in relation to the repertoire performed will have been insufficient for the Grade and subject of examination being taken. Learners will also have failed to communicate, through their performance or presentation, any significant degree of understanding of the repertoire.

It should also be noted that Learners who complete the external assessment but who either do not meet the minimum pass criteria mark for a Pass or fail to satisfy one or more of the stated Assessment Criteria (irrespective of the total marks they accumulate) will be graded as a Fail.

In these circumstances, the Examiner will identify the Assessment Criteria/Criterion not met in the Learner Examination Report (LER).
