About LAMDA

Founded in 1861, LAMDA is the oldest drama school in the UK. We started to offer examinations in speech and drama to the public over 130 years ago. Since then we have developed an enviable reputation for excellence in the provision of Communication and Performance examinations in the UK, and we are rapidly extending our reach internationally.

The process of preparing for and succeeding in a LAMDA Examination helps Learners, whatever their ages or aspirations, to develop a broad range of skills that will serve them throughout life. Our examinations develop a Learner’s ability to:

• read easily, fluently and with good understanding
• expand vocabulary to improve powers of self-expression
• improve confidence in speaking and listening
• memorise and recall information
• research and create persuasive formal presentations
• create and defend arguments
• engage in constructive informal conversation
• work both on their own and participate as a member of a team.

No matter what direction Learners choose to follow in the future, our examinations provide the opportunity to nurture their natural abilities. These critical skills will enhance their self-confidence to engage and contribute fully, whether at
school, in further education, at work or in the community. In other words, to fulfil their potential.

All our examinations are rooted in encouraging Learners of all ages to develop a love of literature, poetry and drama and thus improve standards of communication through the spoken word. This syllabus provides a wide range of opportunities to do so.

Ultimately, it is a sense of achievement that empowers the Learner. We believe that succeeding in a LAMDA Examination demonstrates not only that they have met rigorous Assessment Criteria in a particular discipline, but also that they have grown as individuals through participating in a worthwhile activity that is respected as a global standard.

**LAMDA Qualifications**

LAMDA is recognised as an awarding organisation by Ofqual, the Office of Qualifications and Examinations Regulation in England, Qualifications Wales, and Council for the Curriculum, Examinations and Assessment (CCEA) in Northern Ireland.
Qualification Framework

The LAMDA Graded Examinations in Communication reside on the Regulated Qualifications Framework (RQF).

The RQF permits direct comparison between academic qualifications (i.e. GCSEs / A Levels) and vocational qualifications (i.e. LAMDA qualifications and others).

About this Syllabus Specification

This syllabus specification outlines the specifications for LAMDA Graded Examinations in Communication. It is designed for use by centres, Teachers, Learners and parents.

Structure of the Qualifications

LAMDA Graded Examinations in Communication are available in the following subjects:

- Speaking Verse and Prose
- Reading for Performance
- Speaking in Public

LAMDA Graded Examinations in Communication are open to all. There are no minimum age restrictions, and the choice of repertoire is intended to appeal to Learners of all ages.
Learners do not require prior knowledge or an understanding of the Communication subjects prior to studying for a LAMDA Examination.

The Qualifications are available at four levels on the RQF and each examination subject is available from Entry Level to Grade 8.

The appropriate Qualification title and Qualification Number (QN) will appear on Learners’ final certification documentation.
Reasonable Adjustments and Special Considerations

Reasonable Adjustments and Special Considerations are designed to facilitate access to examinations for Learners who have particular requirements. Further information can be obtained from LAMDA Examinations’ published Reasonable Adjustments and Special Considerations Policy, which is available to download from the LAMDA website: www.lamda.ac.uk/examinations

Assessment and Grading

The purpose of assessment is to ensure that effective learning has taken place to give Learners the opportunity to meet all the Assessment Criteria and achieve the Learning Outcomes within a Qualification and/or Unit.

All LAMDA graded Qualifications require external assessment. External assessment is a form of independent assessment where Assessment Criteria for each Qualification are set by LAMDA and marked by a LAMDA Examiner.

LAMDA Graded Examinations in Communication use practical assessment as the method for external assessment.
Assessment Requirements

All assessment for LAMDA regulated Qualifications is criterion-referenced, based on the achievement of specified Learning Outcomes and Assessment Criteria. Each Qualification and/or Unit within the Qualification has specified Assessment Criteria which are used for grading purposes. A Qualification grade can be awarded at Pass, Merit or Distinction.

A Pass, Merit or Distinction is awarded respectively for the achievement of all outcomes against the specified Assessment Criteria for each grading criterion detailed in the syllabus specification.

Learners who complete the external assessment but who either do not meet the minimum pass criteria mark for a Pass or fail to satisfy one or more of the stated Assessment Criteria (irrespective of the total marks they accumulate) will be graded as a Fail.

In these circumstances the Examiner will identify the Assessment Criteria/Criterion not met in the Learner Examination Report (LER).
Invalidation Policy

LAMDA operates an Invalidation Policy for all its Qualifications.

All Learners must perform to the exact requirements as detailed in the relevant syllabus specifications. Learners who do not conform to these requirements will be referred to LAMDA by the Examiner.

The referral will be reviewed by the appropriate personnel at LAMDA who will determine whether an Invalidation exists.

For all confirmed Invalidation decisions, a letter detailing the reasons for the Invalidation along with the Learner’s Examination Report (marked Invalid) will be sent directly to the Centre Coordinator or the named accountable person detailed at the time of examination entry.

A Note on Language

English is used and explicitly expressed in all LAMDA syllabus specifications and assessment materials for the examinations. Examinations are conducted solely in English. The language used in all syllabus specifications and assessment materials, and during practical assessment, is explicit, plain and free from bias.
Whilst LAMDA offers examinations in Ireland and Wales, it does not offer examinations using Welsh (Cymraeg) or Irish (Gaelige) languages.

There is no requirement for Learners to conform linguistically to all features of British Standard English or Received Pronunciation. However, Learners’ oral communication must be at a level that will not impose any difficulty of comprehension or strain on the Examiner during the Assessment.

**Essential Resources**

The LAMDA Verse and Prose Anthology – Volume 19 is a collection of verse and prose and is a required publication for Learners taking LAMDA Graded Examinations in Speaking Verse and Prose from Entry Level to Grade 8.

Details of all LAMDA publications for the examinations are available on the LAMDA website:
www.lamda.ac.uk/examinations

**Glossary of Terms**

A glossary of the terminology used in this syllabus specification is available at the back of this document.
Support Material

LAMDA has provided additional support material to aid centres, Teachers and Learners when preparing for LAMDA Graded Examinations in Communication. This document is entitled Teacher Support Material: Graded Examinations in Communication. It is available to download free of charge on the LAMDA website at www.lamda.ac.uk/examinations or upon request from LAMDA.

The following information describes what skills and knowledge Learners need to present in order to attain marks for Pass, Merit or Distinction for Entry Level Speaking Verse and Prose Examinations. Learners who complete the external assessment but who either do not meet the minimum pass criteria mark for a Pass, or fail to satisfy one or more of the stated Assessment Criteria, will be graded as a Fail. This is irrespective of the total marks accumulated.

Distinction (80–100 Marks)
A Learner who achieves a Distinction grade will have demonstrated the ability to communicate the sense of their poems to the audience in a clear and engaging way, speaking audibly and clearly throughout the presentation. They will have also given a detailed description of the content of their poems, and accurate definitions of all four words chosen by the Examiner.

Merit (65–79 Marks)
A Learner who achieves a Merit grade will have demonstrated a secure understanding of the content, rhythm and shape of the pieces performed. They will have presented them with good diction and audibility will be secure, but not consistent, and there may be some errors with memory. Learners will also provide accurate meanings of three words chosen by the Examiner.
Pass (50–64 Marks)
A Learner who achieves a Pass grade will have communicated some understanding of the content of their pieces, with audibility and diction being clear for some of the presentation. A basic awareness of rhythm and shape will be apparent, but lapses in memory may affect this. Two of the words chosen by the Examiner will be explained accurately.

Fail (0–49 Marks)
A Learner whose examination is graded as a Fail for any Subject and Grade will have demonstrated inaccuracy and lack of fluency in all or most of the components. They will have demonstrated an unacceptable standard of physical and vocal technique; there will have been lapses in memory (if applicable) and they will have shown little or no evidence of interpretative skills. Knowledge in relation to the repertoire performed will have been insufficient for the Grade and subject of examination being taken. Learners will also have failed to communicate, through their performance or presentation, any significant degree of understanding of the repertoire.

It should also be noted that Learners who complete the external assessment but who either do not meet the minimum pass criteria mark for a Pass or fail to satisfy one or more of the stated Assessment Criteria (irrespective of the total marks they accumulate) will be graded as a Fail.
In these circumstances, the Examiner will identify the Assessment Criteria/Criterion not met in the Learner Examination Report (LER).

The following information describes what skills and knowledge Learners need to present in order to attain marks for Pass, Merit or Distinction for Level 1 (Grades 1, 2 and 3) Speaking Verse and Prose Examinations.
Learners who complete the external assessment but who either do not meet the minimum pass criteria mark for a Pass, or fail to satisfy one or more of the stated Assessment Criteria, will be graded as a Fail. This is irrespective of the total marks accumulated.

**Distinction (80–100 Marks)**

A Learner who achieves a Distinction grade will have demonstrated complete understanding of the mood with awareness of rhythm and shape, and content of the chosen material throughout the examination. The performance should be clear, audible and engaging throughout, and performed with some naturalness. The Learner will have used thoughtful, effective body language to complement and support the content of the chosen material. Learners will also give accurate meanings of all four words (Grade 1 only) and give a detailed explanation of the differences between verse and prose (Grade 3 only).

**Merit (65–79 Marks)**

A Learner who achieves a Merit grade will have demonstrated a secure understanding of the chosen material, whilst indicating some originality in their interpretation. They will have shown a secure understanding of the mood of their verse piece(s) with an awareness of rhythm and shape for most of the presentation. The Learner will be mostly clear and
audible in their presentation, frequently using body and voice in response to the text. Learners will also give accurate meanings of three out of four words (Grade 1 only) and a general explanation of the differences between verse and prose (Grade 3 only).

Pass (50–64 Marks)
A Learner who achieves a Pass grade will have communicated a basic understanding of their chosen material, demonstrating some awareness of the rhythm and shape of their chosen verse piece(s). They will have demonstrated basic performance skills and some imaginative interpretation of the texts. Learners will also give accurate meanings of two out of four words (Grade 1 only) and a basic explanation of the differences between verse and prose (Grade 3 only).

Fail (0–49 Marks)
A Learner whose examination is graded as a Fail for any Subject and Grade will have demonstrated inaccuracy and lack of fluency in all or most of the components. They will have demonstrated an unacceptable standard of physical and vocal technique; there will have been lapses in memory (if applicable) and they will have shown little or no evidence of interpretative skills. Knowledge in relation to the repertoire performed will have been insufficient for the Grade and subject of examination being taken. Learners will also have
failed to communicate, through their performance or presentation, any significant degree of understanding of the repertoire.

It should also be noted that Learners who complete the external assessment but who either do not meet the minimum pass criteria mark for a Pass or fail to satisfy one or more of the stated Assessment Criteria (irrespective of the total marks they accumulate) will be graded as a Fail.

In these circumstances, the Examiner will identify the Assessment Criteria/Criterion not met in the Learner Examination Report (LER).

They will have demonstrated an unacceptable standard of physical and vocal technique; there will have been lapses in memory (if applicable) and they will have shown little or no evidence of interpretative skills. Knowledge in relation to the repertoire performed will have been insufficient for the Grade and subject of examination being taken. Learners will also have failed to communicate, through their performance or presentation, any significant degree of understanding of the repertoire.

It should also be noted that Learners who complete the external assessment but who either do not meet the minimum pass criteria mark for a Pass or fail to satisfy one or more of the stated Assessment Criteria (irrespective of the total marks they accumulate) will be graded as a Fail.

The following information describes what skills and knowledge Learners need to present in order to attain marks for Pass, Merit or Distinction for Level 3 (Grades 6, 7 and 8) Speaking Verse and Prose Examinations.

Learners who complete the external assessment but who either do not meet the minimum pass criteria mark for a Pass, or fail to satisfy one or more of the stated Assessment Criteria, will be graded as a Fail. This is irrespective of the total marks accumulated.

Distinction (80–100 Marks)
A Learner who achieves a Distinction grade will have demonstrated advanced understanding and awareness of the chosen material. The presentation will have been innovative and sophisticated, thoroughly engaging the audience at all times. Knowledge and understanding of material and the techniques required for speaking verse and prose will have been comprehensive. Learners taking examinations at Grade 8 will have been able to discuss maturely detailed and in-depth biographical and contextual details about their chosen writer.

Merit (65–79 Marks)
A Learner who achieves a Merit grade will have demonstrated understanding of the material through a mature and imaginative interpretation, using thoughtful and engaging physical and vocal techniques. The presentation will have
been complex and well prepared. Knowledge and understanding of material and the techniques required for speaking verse and prose will have been well researched and presented. Learners taking examinations at Grade 8 will have been able to demonstrate sound biographical and contextual knowledge of their chosen writer.

Pass (50–64 Marks)
A Learner who achieves a Pass grade will have demonstrated some evidence of a developed understanding of the material. Interpretation of the text will have included some personalisation and self-assurance. Learners will have demonstrated some widespread knowledge of techniques required for speaking verse and prose. Learners taking examinations at Grade 8 will have been able to discuss biographical and contextual details about their chosen writer, but knowledge will be undeveloped.

Fail (0–49 Marks)
A Learner whose examination is graded as a Fail for any Subject and Grade will have demonstrated inaccuracy and lack of fluency in all or most of the components. They will have demonstrated an unacceptable standard of physical and vocal technique; there will have been lapses in memory (if applicable) and they will have shown little or no evidence of interpretative skills. Knowledge in relation to the repertoire performed will have been insufficient for the Grade and subject of examination being taken. Learners will also have failed to communicate, through their performance or presentation, any significant degree of understanding of the repertoire.
It should also be noted that Learners who complete the external assessment but who either do not meet the minimum pass criteria mark for a Pass or fail to satisfy one or more of the stated Assessment Criteria (irrespective of the total marks they accumulate) will be graded as a Fail.

In these circumstances, the Examiner will identify the Assessment Criteria/Criterion not met in the Learner Examination Report (LER).

Learners may enter for an examination in Reading for Performance at any grade. Each grade is independently assessed. Learning Outcomes are set at each Level and cover a range of grades (for example, Level 1 covers Grades 1, 2 and 3). Assessment Criteria are set at each grade. There is a qualitative difference in outcome between individual grades within each Level. This is because:

• the readings and theme chosen by the Learner should increase in technical difficulty as the grades progress
• the knowledge required increases as the grades progress

LAMDA Examinations in Reading for Performance are offered in the following formats:

• Solo (one Learner) where the Learner performs alone

Learners have the freedom to present their recital from any appropriate space within the examination room. They may choose to remain in one place throughout, or change placement and levels as they deem fit. Learners should consider the placement, stillness and movement around the space as part of the performance of their recital.
Examination Regulations

1. The Learner must not memorise the readings for their recital. They must read them aloud from a book or folder.
2. The Learner must not read the introduction, linking statements and conclusion to their recital. These elements must be performed from memory.
3. Small hand props are permitted but must be kept to a minimum.
4. No unauthorised person will be allowed to be present during the examination.
5. Electronic devices, such as mobile phones, Kindles, iPads, e-readers and laptops, are not permitted in the examination room unless they are required as a prop for use in the recital. If an electronic device is required as a prop for use in the recital this must be approved by the Examiner at the beginning of the examination. Electronic devices used as props must be switched off for use in the examination.
6. Real knives or other weapons are not permitted in the examination room.
7. Live animals are not permitted in the examination room.
8. The recital must be performed in English.

The following information describes what skills and knowledge Learners need to present in order to attain marks for Pass, Merit or Distinction for Entry Level Reading for Performance Examinations. Learners who complete the external assessment but who either do not meet the minimum pass criteria mark for a Pass, or fail to satisfy one or more of the stated Assessment Criteria, will be graded as a Fail. This is irrespective of the total marks accumulated.

Distinction (80–100 Marks)
A Learner who achieves a Distinction grade will have demonstrated the ability to communicate the sense of their pieces to the audience with fluency and confidence throughout. Learners will have had an awareness of the audience throughout the presentation. They will have also given detailed explanations behind their choice of readings, and accurate definitions of all four words chosen by the Examiner.

Merit (65–79 Marks)
A Learner who achieves a Merit grade will have demonstrated a secure awareness of the rhythm and shape of the pieces performed. The recital will have been spoken with good diction and audibility, but this will not have been consistent, and there may be some errors with memory and fluency. Learners will also provide accurate definitions of three out of four words.

Pass (50–64 Marks)
A Learner who achieves a Pass grade will have communicated some sense of their pieces, with audibility and diction being clear for some of the presentation. A basic awareness of rhythm and shape will have been apparent, but lapses in memory may have affected the fluency of the overall recital. Two out of the four words will have been defined accurately.

Fail (0–49 Marks)
A Learner whose examination is graded as a Fail for any Subject and Grade will have demonstrated inaccuracy and lack of fluency in all or most of the components. They will have demonstrated an unacceptable standard of physical and vocal technique; there will have been lapses in memory (if applicable) and they will have shown little or no evidence of interpretative skills. Knowledge in relation to the repertoire performed will have been insufficient for the Grade and
subject of examination being taken. Learners will also have failed to communicate, through their performance or presentation, any significant degree of understanding of the repertoire.

It should also be noted that Learners who complete the external assessment but who either do not meet the minimum pass criteria mark for a Pass or fail to satisfy one or more of the stated Assessment Criteria (irrespective of the total marks they accumulate) will be graded as a Fail.

In these circumstances, the Examiner will identify the Assessment Criteria/Criterion not met in the Learner Examination Report (LER).

The following information describes what skills and knowledge Learners need to present in order to attain marks for Pass, Merit or Distinction for Level 2 (Grades 4 and 5) Reading for Performance examinations.

Learners who complete the external assessment but who either do not meet the minimum pass criteria mark for a Pass, or fail to satisfy one or more of the stated Assessment Criteria, will be graded as a Fail. This is irrespective of the total marks accumulated.
Distinction (80–100 Marks)
A Learner who achieves a Distinction grade will have demonstrated complete and thorough understanding of the chosen material throughout the examination and sustained an accurate and sustained response. The Learner will have created an appropriate and personal response to the text both vocally and physically, and used appropriate modulation throughout. Knowledge of the material and rationale behind choices will be wide-ranging and detailed.

Merit (65–79 Marks)
A Learner who achieves a Merit grade will have demonstrated an assured understanding of the chosen material for the majority of the examination. They will have responded vocally and physically to the material, and have shown a relatively wide range of techniques to engage the audience. Knowledge of the material and justification for choices will be fairly thorough and secure.

Pass (50–64 Marks)
A Learner who achieves a Pass grade will have demonstrated some understanding of the chosen material and have made an attempt to engage the audience with basic physical and vocal skills. Modulation will be adequate but will not have been used consistently throughout the recital. Knowledge of
the material and reasons for choices will be accurate but will lack detail.

Fail (0–49 Marks)
A Learner whose examination is graded as a Fail for any Subject and Grade will have demonstrated inaccuracy and lack of fluency in all or most of the components. They will have demonstrated an unacceptable standard of physical and vocal technique; there will have been lapses in memory (if applicable) and they will have shown little or no evidence of interpretative skills. Knowledge in relation to the repertoire performed will have been insufficient for the Grade and subject of examination being taken. Learners will also have failed to communicate, through their performance or presentation, any significant degree of understanding of the repertoire.

It should also be noted that Learners who complete the external assessment but who either do not meet the minimum pass criteria mark for a Pass or fail to satisfy one or more of the stated Assessment Criteria (irrespective of the total marks they accumulate) will be graded as a Fail.

In these circumstances, the Examiner will identify the Assessment Criteria/Criterion not met in the Learner Examination Report (LER).

• a verse reading or a prose reading or the reading of a dramatic monologue
• a conclusion

The Learner may perform the readings in any order. The readings must not be memorised but must be read from a book or folder. The Learner must not read the introduction, linking statements and conclusion to their recital. These elements must be performed from memory.

Each reading must be no longer than three minutes. The entire programme must not exceed 17 minutes in length. Legible copies of all readings should be provided for the Examiner.
Sight-Reading
The Learner will read at sight a text provided by the Examiner. One minute may be taken to study the text prior to the reading.

Knowledge
The Learner will answer questions on the following:
• the reasons behind the choice of readings, theme and staging
• the content of the book from which the prose reading has been taken, noting key characters and events within it (if two prose readings have been included, one will be selected by the Examiner at the time of the examination)
• the content of one of the other readings presented (selected by the Examiner at the time of the examination)
• the techniques required for conveying contrasts of period, style and form in the chosen readings
• the techniques required for effective sight-reading

The following information describes what skills and knowledge Learners need to present in order to attain marks for Pass, Merit or Distinction for Level 3 (Grades 6, 7, and 8) Reading for Performance Examinations.

Learners who complete the external assessment but who either do not meet the minimum pass criteria mark for a Pass, or fail to satisfy one or more of the stated Assessment Criteria, will be graded as a Fail. This is irrespective of the total marks accumulated.

Distinction (80–100 Marks)
A Learner who achieves a Distinction grade will have demonstrated advanced understanding and awareness of the chosen material. The presentation will have been innovative and sophisticated, thoroughly engaging the audience at all times. The Learner will have been spontaneous, expressive and fluent throughout the sight-reading element of the examination, and knowledge and understanding of material will have been comprehensive.
Merit (65–79 Marks)
A Learner who achieves a Merit grade will have demonstrated understanding of the material through a mature and imaginative interpretation, using thoughtful and engaging physical and vocal techniques. The presentation will have been complex and well prepared but may have lacked accurate breath control, or a full appreciation for the style of writing. The Learner will have sight-read securely, with confidence and personalisation most of the time. Knowledge and understanding of material will have been well researched and presented.

Pass (50–64)
A Learner who achieves a Pass grade will have demonstrated some evidence of a developed understanding of the material. Interpretation of the text will have included some personalisation and self-assurance, and the sight-reading will have been delivered in an attempt to share it with the audience. Learners will have demonstrated some widespread knowledge and understanding of their chosen material.

Fail (0–49 Marks)
A Learner whose examination is graded as a Fail for any Subject and Grade will have demonstrated inaccuracy and lack of fluency in all or most of the components. They will
have demonstrated an unacceptable standard of physical and vocal technique; there will have been lapses in memory (if applicable) and they will have shown little or no evidence of interpretative skills. Knowledge in relation to the repertoire performed will have been insufficient for the Grade and subject of examination being taken. Learners will also have failed to communicate, through their performance or presentation, any significant degree of understanding of the repertoire.

It should also be noted that Learners who complete the external assessment but who either do not meet the minimum pass criteria mark for a Pass or fail to satisfy one or more of the stated Assessment Criteria (irrespective of the total marks they accumulate) will be graded as a Fail.

In these circumstances, the Examiner will identify the Assessment Criteria/Criterion not met in the Learner Examination Report (LER).

Purpose of the Qualification

LAMDA Graded Examinations in Communication: Speaking in Public are designed to develop the skills necessary for effective oral communication and public presentation. These examinations will benefit those wishing to communicate confidently using the English language.

Learners who prepare themselves appropriately will develop:

1. Oral language skills
2. Technical skills
3. Knowledge of oral communication skills

Broad Objectives of the Qualification

1. Oral language skills

The Learner will be required to:

• select, structure and shape subject matter into a coherent and concise speech
• adapt language and form to audience, purpose and situation where appropriate

2. Technical skills
The Learner will be required to:
• build skills in vocal projection and clarity of speech
• match tonal register to audience, purpose and situation where appropriate
• integrate body language, notes and visual aids where appropriate, to support the subject matter and engage the listener

3. Knowledge of oral communication skills

Learners may enter for a Speaking in Public examination at any grade. Each grade is independently assessed. Learning Outcomes are set at each Level and cover a range of grades (for example, Level 1 covers Grades 1, 2 and 3). Assessment Criteria are set at each grade. There is a qualitative difference in outcome between individual grades within each level. This is because:

- set requirements and/or topics for speeches increase in difficulty as the grades progress
- the knowledge required increases as the grades progress

LAMDA Examinations in Speaking in Public are offered in the following formats:

- Solo (one Learner) where the Learner performs alone

**Examination Regulations**

1. No unauthorised person will be allowed to be present during the examination.
2. Electronic devices, such as mobile phones, Kindles, iPads, e-readers and laptops, are not permitted in the examination room unless they are required for the use of visual aids. If an electronic device is required for the use of
visual aids this must be approved by the Examiner at the beginning of the examination.

3. Real knives or other weapons are not permitted in the examination room.

4. Live animals are not permitted in the examination room.

5. Speeches must be presented in English.

6. For Entry Level and Level 1 (Grade 1, Grade 2 and Grade 3) examinations, Learners are not permitted to use PowerPoint presentations (or similar) as their visual aid.
Entry Level
Speaking in Public

RQF Level: Entry Level (Entry 3)
Guided Learning Hours: 20
Total Qualification Time: 40

Level Description

The LAMDA Entry Level Award in Communication: Speaking in Public is designed to introduce Learners to basic skills in public speaking. Learners will be able to prepare and deliver a speech about a book of their own choice. They will speak audibly and clearly. They will be able to answer questions about the reasons for their choice of book and will maintain a brief conversation with the Examiner on a topic of their own choice.

During their examination, Learners should present their pieces to a wider imagined audience, of which the Examiner is a part, and not solely to the Examiner.
Learning Outcomes
On completion of this unit the Learner will be able to:

Interpretation
LO1: prepare and deliver a speech about a book, demonstrating an understanding of the subject matter

Technique
LO2: use the skills required for speaking in public

Knowledge
LO3: know and understand the techniques required for speaking in public

Total Time Allowance
10 minutes

Examination Content
Prepared Speech: Interpretation and Technique
The Learner will deliver a prepared speech about a book of their own choice from memory.
The speech must not exceed two minutes in length. Note cards may be used.
Learners may use a visual aid for their examination, but this is not a requirement and will not be marked. The use of PowerPoint (or similar) presentations at this Level is prohibited.

Knowledge
The Learner will answer questions on the following:
- how the speech was prepared

The Learner will then present the Examiner with a choice of two topics. The Examiner will choose one of these topics and use it to initiate a brief conversation with the Learner.

The following information describes what skills and knowledge Learners need to present in order to attain marks for Pass, Merit or Distinction for Entry Level Speaking in Public Examinations.

Learners who complete the external assessment but who either do not meet the minimum pass criteria mark for a Pass, or fail to satisfy one or more of the stated Assessment Criteria, will be graded as a Fail. This is irrespective of the total marks accumulated.

Distinction (80–100 Marks)
A Learner who achieves a Distinction grade will have delivered their speech in a clear and engaging way, using imaginative, but appropriate vocabulary. They will have demonstrated detailed knowledge of their book and fully described how they prepared their speech. Learners will have also engaged fully in the conversation and responded appropriately to questions throughout.

Merit (65–79 Marks)
A Learner who achieves a Merit grade will have demonstrated a secure knowledge of their chosen book, and presented their
speech using mostly relevant vocabulary. They will have used good facial expression and diction and audibility will be secure, but not consistent. Learners will have been involved in the conversation for the most part, and will respond appropriately to most questions asked.

Pass (50–64 Marks)
A Learner who achieves a Pass grade will have delivered a reasonably convincing speech using some appropriate vocabulary. They will have been audible and clear throughout some of the speech and demonstrated good knowledge of the chosen book. Learners will have been active and engaged for some of the conversation, responding appropriately.

Fail (0–49 Marks)
A Learner whose examination is graded as a Fail for any Subject and Grade will have demonstrated inaccuracy and lack of fluency in all or most of the components. They will have demonstrated an unacceptable standard of physical and vocal technique; there will have been lapses in memory (if applicable) and they will have shown little or no evidence of interpretative skills. Knowledge in relation to the repertoire performed will have been insufficient for the Grade and subject of examination being taken. Learners will also have failed to communicate, through their performance or
presentation, any significant degree of understanding of the repertoire.

It should also be noted that Learners who complete the external assessment but who either do not meet the minimum pass criteria mark for a Pass or fail to satisfy one or more of the stated Assessment Criteria (irrespective of the total marks they accumulate) will be graded as a Fail.

In these circumstances, the Examiner will identify the Assessment Criteria/Criterion not met in the Learner Examination Report (LER).

Level Description

The LAMDA Level 1 Award in Communication: Speaking in Public is designed to enable Learners to develop basic skills in public speaking. Learners will be able to prepare and deliver a speech with a clear structure, speaking audibly and clearly. The use of visual aids will help to engage the audience. The following information describes what skills and knowledge Learners need to present in order to attain marks for Pass, Merit or Distinction for Level 1 Speaking in Public Examinations.

Learners who complete the external assessment but who either do not meet the minimum pass criteria mark for a Pass, or fail to satisfy one or more of the stated Assessment Criteria, will be graded as a Fail. This is irrespective of the total marks accumulated.

**Distinction (80–100 Marks)**

A Learner who achieves a Distinction grade will have given a speech using vocabulary suitable for their chosen topic throughout. The speech will have been spoken audibly and
clearly, and delivered with spontaneity using appropriate facial expression. Explanations of how their speech was prepared will have been detailed and clear, and the Learner will have engaged in the conversation, responding to and asking questions throughout (Grade 3 only).

Merit (65–79 Marks)
A Learner who achieves a Merit grade will have delivered a speech using vocabulary that was mostly suitable for their chosen topic. The Learner will have used facial expression to support the content of their speech and communicated with spontaneity for most of the presentation, but not always. Explanations of how they prepared their speech will have been confident, but will have lacked some detail. Learners will have remained engaged in the conversation most of the time, accurately responding to the majority of questions (Grade 3 only).

Pass (50–64 Marks)
A Learner who achieves a Pass grade will have communicated a basic understanding of their chosen topic using some appropriate vocabulary. They will have attempted to deliver their speech with spontaneity and have used some facial expression. Learners will have given brief and simple explanations of how they prepared their speech, and will have had some engagement in the conversation (Grade 3 only).
Fail (0–49 Marks)

A Learner whose examination is graded as a Fail for any subject and Grade will have demonstrated inaccuracy and lack of fluency in all or most of the components. They will have demonstrated an unacceptable standard of physical and vocal technique; there will have been lapses in memory (if applicable) and they will have shown little or no evidence of interpretative skills. Knowledge in relation to the repertoire performed will have been insufficient for the Grade and subject of examination being taken. Learners will also have failed to communicate, through their performance or presentation, any significant degree of understanding of the repertoire.

It should also be noted that Learners who complete the external assessment but who either do not meet the minimum pass criteria mark for a Pass or fail to satisfy one or more of the stated Assessment Criteria (irrespective of the total marks they accumulate) will be graded as a Fail.

In these circumstances, the Examiner will identify the Assessment Criteria/Criterion not met in the Learner Examination Report (LER).

been complex and well prepared but may have lacked accurate or fully developed information. Answers to questions will have been general but lacking in detail.

Pass (50–64 Marks)
A Learner who achieves a Pass grade will have demonstrated some evidence of a developed understanding of the chosen topics, communicating with some personalisation and self-assurance. Learners will have given accurate but underdeveloped responses to questions asked.

Fail (0–49 Marks)
A Learner whose examination is graded as a Fail for any Subject and Grade will have demonstrated inaccuracy and lack of fluency in all or most of the components. They will have demonstrated an unacceptable standard of physical and vocal technique; there will have been lapses in memory (if applicable) and they will have shown little or no evidence of interpretative skills. Knowledge in relation to the repertoire performed will have been insufficient for the Grade and subject of examination being taken. Learners will also have failed to communicate, through their performance or presentation, any significant degree of understanding of the repertoire.

It should also be noted that Learners who complete the external assessment but who either do not meet the minimum
pass criteria mark for a Pass or fail to satisfy one or more of the stated Assessment Criteria (irrespective of the total marks they accumulate) will be graded as a Fail.

In these circumstances, the Examiner will identify the Assessment Criteria/Criterion not met in the Learner Examination Report (LER).
