About LAMDA

Founded in 1861, LAMDA is the oldest drama school in the UK. We started to offer examinations in speech and drama to the public over 130 years ago. Since then we have developed an enviable reputation for excellence in the provision of Communication and Performance examinations in the UK, and we are rapidly extending our reach internationally.

The process of preparing for and succeeding in a LAMDA Examination helps Learners, whatever their ages or aspirations, to develop a broad range of skills that will serve them throughout life. Our examinations develop a Learner's ability to:

- read easily, fluently and with good understanding
- expand vocabulary to improve powers of self-expression
- improve confidence in speaking and listening
- memorise and recall information
- research and create persuasive formal presentations
- create and defend arguments
- engage in constructive informal conversation
- work both on their own and participate as a member of a team

No matter what direction Learners choose to follow in the future, our examinations provide the opportunity to nurture their natural abilities. These critical skills will enhance their self-confidence to engage and contribute fully, whether at

school, in further education, at work or in the community. In other words, to fulfil their potential.

All our examinations are rooted in encouraging Learners of all ages to develop a love of literature, poetry and drama and thus improve standards of communication through the spoken word. This syllabus provides a wide range of opportunities to do so.

Ultimately, it is a sense of achievement that empowers the Learner. We believe that succeeding in a LAMDA Examination demonstrates not only that they have met rigorous Assessment Criteria in a particular discipline, but also that they have grown as individuals through participating in a worthwhile activity that is respected as a global standard.

Reasonable Adjustments and Special Considerations

Reasonable Adjustments and Special Considerations are designed to facilitate access to examinations for Learners who have particular requirements. Further information can be obtained from LAMDA Examinations' published Reasonable Adjustments and Special Considerations Policy, which is available to download from the LAMDA website:

www.lamda.ac.uk/examinations

Assessment and Grading

The purpose of assessment is to ensure that effective learning has taken place to give Learners the opportunity to meet all the Assessment Criteria and achieve the Learning Outcomes within an examination.

All LAMDA Graded Examinations require external assessment. External assessment is a form of independent assessment where Assessment Criteria for each qualification are set by LAMDA and marked by a LAMDA Examinations Examiner.

LAMDA Graded Group Examinations use practical assessment as the method for external assessment.

Assessment Requirements

Assessment for LAMDA Graded Group Examinations is criterion-referenced, based on the achievement of specified Learning Outcomes and Assessment Criteria. Each examination has specified Assessment Criteria which are used for grading purposes. A Grade can be awarded at Pass, Merit or Distinction.

A Pass, Merit or Distinction is awarded respectively for the achievement of all outcomes against the specified Assessment Criteria for each grading criterion detailed in the syllabus specification.

Invalidation Policy

LAMDA operates an Invalidation Policy for all its examinations.

All Learners must perform to the exact requirements as detailed in the relevant syllabus specifications. Learners who

do not conform to these requirements will be referred to LAMDA by the Examiner.

The referral will be reviewed by the appropriate personnel at LAMDA who will determine whether Invalidation exists.

For all confirmed Invalidation decisions, a letter detailing the reasons for the Invalidation along with the Learner's Examination Report (marked Invalid) will be sent directly to the centre coordinator or the named accountable person detailed at the time of examination entry.

A Note on Language

English is used and explicitly expressed in all LAMDA syllabus specifications and assessment materials for the examinations. Examinations are conducted solely in English. The language used in all syllabus specifications and assessment materials, and during practical assessment, is explicit, plain and free from bias.

Whilst LAMDA offers examinations in Ireland and Wales, it does not offer examinations using Welsh (Cymraeg) or Irish (Gaelige) languages.

There is no requirement for Learners to conform linguistically to all features of British Standard English or Received Pronunciation. However, Learners' oral communication must be at a level that will not impose any difficulty of

comprehension or strain on the Examiner during the assessment.

Grade Band Descriptors

The following information describes what skills Learners need to present in order to attain marks for Pass, Merit or Distinction for the Group Examinations listed in this syllabus. Learners who complete the external assessment but who either do not meet the minimum pass criteria mark for a Pass, or fail to satisfy one or more of the stated Assessment Criteria, will be graded as a Fail. This is irrespective of the total marks accumulated.

Entry Grade

Distinction (80–100 marks)

Learners who achieve a Distinction grade will have demonstrated the ability to communicate the sense of their pieces with clarity and understanding of the material. Work will be fluent and accurate, and Learners will have demonstrated their ability to work together throughout.

Merit (65–79 marks)

Learners who achieve a Merit grade will have communicated a good sense of their pieces with audibility and clarity for most of the performance, but there will have been some lack in

confidence. Learners will have worked well together, but not throughout the entire performance.

Pass (50–64 marks)

Learners who achieve a Pass grade will have communicated some understanding of the content of their pieces, with audibility and diction being clear for some of the presentation. A basic awareness of rhythm and shape will be apparent, but lapses in memory may affect this. The group will have interacted well together for some moments, but not consistently.

Grades 1, 2 and 3

Distinction (80–100 marks)

Learners who achieve a Distinction grade will have demonstrated sustained delivery, and an awareness of audience. The performance will have been clear, audible and engaging and performed with complementary and effective body language to support the content of the chosen material. Members of the group will have begun to take responsibility for their role, and have supported and engaged with all other members.

Merit (65–79 marks)

Learners who achieve a Merit grade will have demonstrated a secure understanding of the chosen material, whilst indicating

some originality. Learners will have been mostly clear and audible in their presentation, frequently using body and voice in response to the text. The group will have effectively worked together and engaged with members for most of the performance.

Pass (50–64 marks)

Learners who achieve a Pass grade will have communicated a basic understanding of their chosen material. They will have demonstrated basic performance skills and some imaginative interpretation of the text(s). The group will have worked well together for some of the performance, but there will have been a lack of engagement and support for all group members.

Grades 4 and 5

Distinction (80–100 marks)

Learners who achieve a Distinction grade will have demonstrated complete and thorough understanding of the chosen material throughout the examination and sustained an accurate and sustained response. Learners will have created an appropriate and personal response to the text both vocally and physically, with some sense of spontaneity being achieved. Effective teamwork will be apparent, with Learners taking responsibility for the performance throughout.

Merit (65–79 marks)

Learners who achieve a Merit grade will have demonstrated an assured understanding of the chosen material for the majority of the performance. They will have responded vocally and physically to the material, using a relatively wide range of techniques to engage the audience. The group will have interacted, and taken responsibility for most of the performance, but lacking some awareness of relationships between roles.

Pass (50–64 marks)

Learners who achieve a Pass grade will have demonstrated some understanding of the chosen material and have made an attempt to engage the audience with basic physical and vocal skills in a somewhat personalised way. There will be a basic awareness of group responsibility, and some understanding of relationships between roles.

Grades 6, 7 and 8

Distinction (80–100 marks)

Learners who achieve a Distinction grade will have demonstrated advanced understanding and awareness of the chosen material. The presentation will have been innovative, original and sophisticated, thoroughly engaging the audience at all times.

The group will have collaborated well, demonstrating a mature awareness and understanding for each character and their role within the performance. Responsibility will have been shared equally amongst the group throughout the performance.

Merit (65–79 marks)

Learners who achieve a Merit grade will have demonstrated understanding of the material through a mature and imaginative interpretation, using thoughtful and engaging physical and vocal techniques. The presentation will have been complex and well prepared for most of the time. Learners will have worked well together for most of the performance, but there may have been some lack of awareness for each character in context.

Responsibility for the group will be shown throughout most of the performance.

Pass (50–64 marks)

Learners who achieve a Pass grade will have demonstrated some evidence of a developed understanding of the material. Interpretation of the text or stimulus will have included some personalisation and self-assurance. Learners will have demonstrated some responsibility for the group's performance, and some awareness of the relationships between characters.

Entry Grade and Grades: 1, 2, 3, 4, 5, 6, 7 and 8

Fail (0–49 Marks)

Learners whose examination is graded as a Fail for any subject and Grade will have demonstrated inaccuracy and lack of fluency in all or most of the components. They will have demonstrated

an unacceptable standard of physical and vocal technique; there will have been lapses in memory (if applicable) and they will have shown little or no evidence of interpretative skills. Knowledge in relation to the repertoire performed will have been insufficient for the Grade and subject of the examination being taken. Learners will also have failed to communicate, through their performance or presentation, any significant degree of understanding of the repertoire.

It should also be noted that Learners who complete the external assessment but who either do not meet the minimum pass criteria mark for a Pass or fail to satisfy one or more of the stated Assessment Criteria (irrespective of the total marks they accumulate) will be graded as a Fail.

In these circumstances, the Examiner will identify the Assessment Criteria/Criterion not met in the Learner Examination Report (LER).
