About LAMDA

Founded in 1861, LAMDA is the oldest drama school in the UK. We started to offer examinations in speech and drama to the public over 130 years ago. Since then we have developed an enviable reputation for excellence in the provision of Communication and Performance examinations in the UK, and we are rapidly extending our reach internationally.

The process of preparing for and succeeding in a LAMDA Examination helps Learners, whatever their ages or aspirations, to develop a broad range of skills that will serve them throughout life. Our examinations develop a Learner's ability to:

- read easily, fluently and with good understanding
- expand vocabulary to improve powers of self-expression
- improve confidence in speaking and listening
- memorise and recall information
- research and create persuasive formal presentations
- create and defend arguments
- engage in constructive informal conversation
- work both on their own and participate as a member of a team

No matter what direction Learners choose to follow in the future, our examinations provide the opportunity to nurture their natural abilities. These critical skills will enhance their self-confidence to engage and contribute fully, whether at

school, in further education, at work or in the community. In other words, to fulfil their potential.

All our examinations are rooted in encouraging Learners of all ages to develop a love of literature, poetry and drama and thus improve standards of communication through the spoken word. This syllabus provides a wide range of opportunities to do so.

Ultimately, it is a sense of achievement that empowers the Learner. We believe that succeeding in a LAMDA Examination demonstrates not only that they have met rigorous Assessment Criteria in a particular discipline, but also that they have grown as individuals through participating in a worthwhile activity that is respected as a global standard.

About This Syllabus Specification

This syllabus specification outlines the requirements for LAMDA Introductory Examinations. It is designed for use by centres, Teachers, Learners and parents.

LAMDA Introductory Examinations are designed to introduce Learners to the LAMDA suite of graded examinations in Communication and Performance. They offer Learners the opportunity to develop basic communication skills and to engage in creative expression within a supportive environment.

Solo Introductory Examinations are available at three stages:

- Solo Introductory Stage Three

Group Introductory Examinations are available at three stages:

- Group Introductory Stage One

- Group Introductory Stage Three

LAMDA Introductory Examinations are open to all. There are no minimum age restrictions, and the choice of repertoire is intended to appeal to Learners of all ages. Reasonable Adjustments and Special Considerations

Reasonable Adjustments and Special Considerations are designed to facilitate access to examinations for Learners who have particular requirements. Further information can be obtained from LAMDA Examinations' published Reasonable Adjustments and Special Considerations Policy, which is available to download from the LAMDA website:
www.lamda.ac.uk/examinations

Assessment and Grading

The purpose of assessment is to ensure that effective learning has taken place to give Learners the opportunity to meet all the Assessment Criteria and achieve the Learning Outcomes within an Examination.

All LAMDA Graded Examinations require external assessment. External assessment is a form of independent assessment where Assessment Criteria for each qualification are set by LAMDA and marked by a LAMDA Examinations Examiner.

LAMDA Graded Examinations use practical assessment as the method for external assessment.

Assessment Requirements

Assessment for LAMDA Graded Group Examinations is criterion- referenced, based on the achievement of specified Learning Outcomes and Assessment Criteria. Each Examination has specified Assessment Criteria which are used for grading purposes. A Grade can be awarded at Pass, Merit or Distinction.

A Pass, Merit or Distinction is awarded respectively for the achievement of all outcomes against the specified Assessment Criteria for each grading criterion detailed in the syllabus specification.

Invalidation Policy

LAMDA operates an Invalidation Policy for all its Examinations.

All Learners must perform to the exact requirements as detailed in the relevant syllabus specifications. Learners who do not conform to these requirements will be referred to LAMDA by the Examiner.

The referral will be reviewed by the appropriate personnel at LAMDA who will determine whether an Invalidation exists.

For all confirmed Invalidation decisions, a letter detailing the reasons for the Invalidation along with the Learner's Examination Report (marked Invalid) will be sent directly to the

Centre Coordinator or the named accountable person detailed at the time of examination entry.

A Note on Language

English is used and explicitly expressed in all LAMDA syllabus specifications and assessment materials for the examinations. Examinations are conducted solely in English. The language used in all syllabus specifications and assessment materials, and during practical assessment, is explicit, plain and free from bias.

Whilst LAMDA offers examinations in Ireland and Wales, it does not offer examinations using Welsh (Cymraeg) or Irish (Gaelige) languages.

There is no requirement for Learners to conform linguistically to all features of British Standard English or Received Pronunciation.

However, Learners' oral communication must be at a level that will not impose any difficulty of comprehension or strain on the Examiner during the assessment.

Glossary of Terms

A glossary of the terminology used in this syllabus specification is available at the back of this document.

Essential Resources

The LAMDA Verse and Prose Anthology – Volume 19 is a collection of verse and prose pieces and is a required publication for Learners taking LAMDA Introductory Examinations (Solo and Group) at Stage One, Stage Two and Stage Three.

Details of all LAMDA publications for the examinations are available on the LAMDA website:
www.lamda.ac.uk/examinations

Grade Band Descriptors

The following information describes what skills Learners need to present in order to attain marks for Pass, Merit or Distinction for the Introductory Solo and Group Examinations listed in this syllabus. Learners who complete the external assessment but who either do not meet the minimum pass criteria mark for a Pass, or fail to satisfy one or more of the stated Assessment Criteria, will be graded as a Fail. This is irrespective of the total marks accumulated.

Distinction (80–100 Marks)

A Learner who achieves a Distinction mark will have communicated the meaning of their poem throughout the

performance, speaking from memory with expression and confidence throughout. The poem will have been audible and spoken clearly all of the time. During the conversation element of Solo Examination, the Learner will have maintained concentration, whilst listening and responding appropriately to all questions.

For Group Examinations, the group will have responded to the game completely, listening to and interacting with one another throughout.

Merit (65–79 Marks)

A Learner who achieves a Merit mark will have communicated the meaning of their poem throughout most of the performance, speaking from memory most of the time, with some lapses in confidence and expression. The poem will have been mostly clear and audible. During the conversation element of Solo Examinations, the Learner will have been concentrating for the most part, whilst listening and responding appropriately to most questions. For Group Examinations, the group will have securely responded to the game, listening to and interacting with one another for the most part.

Pass (50–65 Marks)

A Learner who achieves a Pass mark will have communicated the meaning of their poem for some of the time, speaking

clearly and audibly some of the time, but will have lacked confidence

and the ability to express throughout the performance. During the conversation element of Solo Examinations, the Learner will have concentrated some of the time, appropriately answering some of the questions from the Examiner. For Group Examinations, the group will have given a basic response to the game, listening to and interacting with one another for some of the time.

Fail (0–49 Marks)

A Learner whose examination is graded as a Fail for any subject and Grade will have demonstrated inaccuracy and lack of fluency in all or most of the components. They will have demonstrated

an unacceptable standard of physical and vocal technique; there will have been lapses in memory (if applicable) and they will have shown little or no evidence of interpretative skills. Knowledge in relation to the repertoire performed will have been insufficient for the Grade and subject of Examination being taken. Learners will also have failed to communicate, through their performance or presentation, any significant degree of understanding of the repertoire.

It should also be noted that Learners who complete the external assessment but who either do not meet the minimum pass criteria mark for a Pass or fail to satisfy one or more of

the stated Assessment Criteria (irrespective of the total marks they accumulate) will be graded as a Fail.

In these circumstances, the Examiner will identify the Assessment Criteria/Criterion not met in the Learner Examination Report (LER).
